1. All dimensions mm. Pipe labels give centerline elevation (CL) above Level 1.
2. Instruments are placeholders (Generic Models) beside the pipe, centered at pipe CL.
3. Tray route shown after clash resolution (Navisworks clash detection).
4. Straight runs at flow meters (mm, both sides): 'FT-503': (2400, 4700), 'FT-505': (2000, 1950)}

NOT FOR CONSTRUCTION - PORTFOLIO PROJECT
